

All PTISD Campuses Earn Highest Accountability Rating for 2015

All PTISD campuses received the highest possible rating based on academic achievement as measured by the State of Texas Assessment of Academic Readiness (STAAR). The STAAR and End of Course tests measure reading, writing, math, science and social studies for students in grades 3 - 10. Specifically, the STAAR assessments measure the following:

- reading and mathematics, grades 3–8
- writing at grades 4 and 7
- science at grades 5 and 8
- social studies at grade 8
- end-of-course (EOC) assessments for English I, English II, Algebra I, biology and U.S history.

In addition, Pine Tree High School received five of the seven possible Distinctions Designations. PTHS received Distinctions for Academic Achievement in Reading/English Language Arts, Academic Achievement in Math, Academic Achievement in Science, Academic Achievement in Social Studies and Postsecondary Readiness.

In addition, Pine Tree High School students scored above the state and national average in SAT in all areas (reading, mathematics, and writing). Pine Tree High School students also scored above the state and national average in all areas of the ACT (English, Mathematics, Reading, Science, and the Composite score).

Pine Tree ISD values both academic success in the core courses as well as success in the co-curricular/extra-curricular areas. Our teachers and staff continue to ensure that all students are continuously learning and experiencing new opportunities.
