

Pine Tree ISD has scheduled a hearing for public discussion of the annual Texas Academic Performance Report (TAPR) for January 9, 2017, at 6:00 p.m. during the regular monthly meeting of the PTISD Board of Trustees.

The TAPR pulls together a wide range of information including the performance of students and district and campus profiles. Performance is shown disaggregated by student groups, including ethnicity and low income status. The report also provides extensive information on school and district staff, programs, and student demographics.
