Mastery of at least 70 percent of grade-level standards (essential knowledge and skills) in language arts (reading and writing) and mathematics and making satisfactory progress in social studies and science as defined in administrative regulations. 2. Passing scores on criterion-referenced assessments designed to measure grade-level content. Criterion-reference assessments shall include: a. Local assessments; b. State assessments; or c. State-approved early reading assessments.

Grades 5-8

Grades 9-12

Please take a few minutes to discuss these changes with your child's teacher at your 2017 Fall Parent-Teacher conference. Additionally, if you have questions regarding these changes, please visit with the campus principal.
