Attached is an application for any senior* who will graduate in May 2018 to apply for a \$1000 scholarship. The applications will be reviewed and scholarships awarded based on academic performance, extracurricular activities, and need.

Please pass this information on to students that you would recommend applying.

The deadline to return applications is April 6, 2018.

We will notify the scholarship winner(s) in May.

Please send me information for your school's award ceremony, as we would like to have a 2020 representative attend to present the scholarship(s).
