

SWEET ADELINES

Scholarship Application

Lake Country Harmony Chorus (LCHC) is a chapter of Sweet Adelines International, a nonprofit organization to music education and performance of barbershop art form.

Each year LCHC offers a \$500 total scholarship to a female student who is entering college with a major or minor in music. The recipient will receive \$250 each semester, contingent on proof of enrollment in a music class.

All applicants in the surrounding districts may apply for this scholarship and be considered for this scholarship. However, since the Gilmer ISD generously allows LCHC to practice at its facility, selection preference will be first given to a Gilmer High School applicant.

Interested students must submit the following:

- Completed application
- Essay (no longer than one (1) page) stating your goals, future plans, and any other information you would like to include
- Official high school transcript
- Letter of recommendation from choir director or voice teacher

The deadline for submitting the completed application is the first Friday of April.
