For Release: August 3, 2020

Pine Tree ISD Announces CEER Academy Students and Faculty

Pine Tree Independent School District is proud to announce the students and faculty for the 2020-2021 CEER Academy. The CEER Academy is a new, innovative program being offered to PT students in the 2020-2021 school year.

The goals and objectives for this program is create an academic pathway for high-achieving students that exposes them to the concepts of communications, engineering, entrepreneurship and robotics, provide engaging, experiential learning opportunities for highly motivated students, help students connect learning experiences through the integration and application of technology and research, create new business ideas and concepts for the future and to promote participation in UIL Academics, through competition, collaboration, and camaraderie.

Congratulations to our CEER students and staff! #buildingstatechampionstoCEOS
